O R D E R:

It has been brought to the notice of the Government that in some of the Districts non-official members of the District Rural Welfare Committees do not evince sufficient interest in attending the meetings of the Committees and fail to attend its meetings consecutively. They do not even explain the reason for their absence. Lack of interest on the part of the members is likely to defeat the very purpose of the Committees and their continued absence will affect the efficiency of the Committees. The Government therefore, consider that if any non-official member of a District Rural Welfare Committee absents himself for more than three consecutive meetings of the Committee, he will be liable to be removed from the Committee and the Government constrained to appoint a substitute in his place at their discretion.

The Collectors are requested to draw the attention of the non-official members of the Committees in their respective districts to the above order and bring to the notice of Government cases of members absenting themselves from attending the meetings consecutively for three meetings without sufficient and reasonable cause.
